ABERDEEN PROVING GROUND TO CONDUCT TRAINING EXERCISES

- Aberdeen Proving Ground's Aberdeen Test Center will support a training exercise between November 12 and 21.
- Both day and nighttime exercises are planned. Activities may take place in the installation's restricted waters and/or in the air, over both land and water. Activities may include weapons firing and use of air and watercraft.
- Residents and boaters in the surrounding communities may experience noise from weapons firing and aircraft, or possibly see low-flying aircraft or flashes of light. Every effort will be made to ensure operations are conducted responsibly to ensure minimal impact to residents.
- Questions, complaints, or damage claims should be directed to 410-278-1147 or 1-800-688-8705.
