

DIRECTIONS TO THE CIVILIAN PERSONNEL ADVISORY CENTER (CPAC),
ABERDEEN AREA OF ABERDEEN PROVING GROUND (APG), MD.

IF YOU DO NOT HAVE A CIVILIAN OR MILITARY ID YOU MUST COME IN MARYLAND 715 (MARYLAND GATE) AND HAVE A PHOTO ID (DRIVER'S LICENCE WILL DO) IN ORDER TO GET ON POST.

We have two gates; therefore, we are providing you the following options:

(1) Coming **EAST** from Baltimore towards Aberdeen on **Route 40.**

Bear right off Route 40 onto exit MD 715 East to Aberdeen Proving Ground

This will take you through the APG entrance gate referred to as the Maryland Gate.

Once through the gate, you will be on Maryland Boulevard

Go straight through three traffic lights.

You will bear to your right at the fourth traffic light onto Aberdeen Boulevard.

Proceed straight through three additional traffic lights **until the road splits.**

You should remain in the right lane and continue going straight. You make an immediate turn left on the first road you see after the road splits. There is a 15 mph road sign – no name. You will also be able to see an ATM machine on your right. This will bring you to the parking lot located in the back of Building 305 (the only large stone building in this area). The CPAC is located on the second floor of Building 305 and our NAF Office is located in the Lower Level of the building.

Note: You may only use the gate listed below if you have a civilian or military ID.

(2) Coming from **I-95 Exit 85** or from **Bel Air** towards Aberdeen on **Route 22 (Aberdeen Thruway).**

Continue driving straight on Route 22 until you go through the APG Entrance gate.

This will place you on Harford Boulevard.

Go straight through two traffic lights.

You will bear to your right at the third traffic light onto Maryland Boulevard.

At the next light, turn to your left onto Aberdeen Boulevard.

Proceed straight through three additional traffic lights **until the road splits.**

You should remain in the right lane and continue going straight. You make an immediate turn left on the first road you see after the road splits. There is a 15 mph road sign – no name.
